David Wood Food's suppliers are an important part of our success and our culture. We expect each of these business partners to conduct their business with the same commitment to ethical business practices as DWF - be registered with SEDEX, Conduct SMETA audits and demonstrate compliance to the principles of the ETI base code. Where our suppliers are not registered on SEDEX, they will be required to complete the ethical section of the DWF supplier approval questionnaire (SAQ) which covers the requirements of the ethical trade initiative (ETI) base code. Based on the outcome of the risk assessment, high risk suppliers will be subjected to further monitoring processes including audits.

David Wood Foods and its suppliers:

- Will ensure that the overall terms of employment are voluntary.
- Will not hold passports of migrant workers.
