

This is to certify that

David Wood Foods

have committed to the BFFF Health and Safety Pledge

Members signing the BFFF Health & Safety pledge are encouraged to commit to the outlined values to:

- Demonstrate leadership and effective workforce engagement.
- Comply with all current health and safety legislation, codes of practice and industry standards.
- Provide a safe and healthy environment for their employees and all persons affected by their undertaking via co-operation, consultation, training and review.
- Compile an action plan for key industry objectives to:
 - o Reduce accidents and incidents of ill health
 - o Effectively manage Musculoskeletal Disorder (MSD) risks
 - o Effectively manage Slip and Trip risks
 - o Deploy an effective Occupational Health management system
- Benchmark their company's health and safety performance with set targets and confidentially share their annual statistics with BFFF.
- Collaborate and share best practice case studies as a means of improving the health and safety performance of the industry.

Signed for and on behalf of BFFF
