

# HEALTH & SAFETY PLEDGE

THIS IS TO CERTIFY

David Wood Baking

have committed to the BFFF Health and Safety Pledge

Members signing the BFFF Health & Safety pledge are encouraged to commit to the outlined values to:

Demonstrate leadership and effective workforce engagement.

Comply with all current health and safety legislation, codes of practice and industry standards.

Provide a safe and healthy environment for their employees and all persons affected by their undertaking via co-operation, consultation, training and review.

Compile an action plan for key industry objectives to:

- Reduce accidents and incidents of ill health,
- Effectively manage Musculoskeletal Disorder (MSD) risks,
- Effectively manage Slip and Trip risks,
- Deploy an effective Occupational Health management system which includes mental health & wellbeing,
- To develop links between workers at the different levels to collaborate on issues relating to occupation health and safety,
- Benchmark their company's health and safety performance with set targets and confidentially share their annual statistics with BFFF,
- Collaborate and share best practice case studies as a means of improving the health and safety performance of the industry.

Executed by the Company

A handwritten signature in black ink, appearing to read 'David Wood', written over a horizontal line.
